SUSAN E. (GERAKARIS) ROBERTSON

v.

ANDREW N. GERAKARIS

ERRATA SHEET

The opinion of this Court certified on July 9, 2015, is amended as follows:

Paragraph 4 is changed to read:

[¶4] During subsequent years, Gerakaris routinely and intentionally failed to return the children to Robertson's home on time following weekend visits, often returning them late at night or in the early hours of the morning. Despite the court's denial of his requests for increased contact, Gerakaris appeared unscheduled at events and continued to contact the children outside of the court-ordered schedule. Gerakaris also engaged in a variety of negative and controlling behaviors that undermined the children's relationship with their mother. This behavior had significant adverse effects

on the children, particularly the parties' eldest son, who regularly missed school as the result of repeated late returns from visits and presented serious discipline problems at home.

The original opinion on the Judicial Branch website has been replaced with the opinion as corrected.
